

Seed Forum in Japan

SEED FORUM IN JAPAN

The Seed Forum concept was introduced by the President of Iceland, Mr. Olafur Ragnar Grimsson, to a delegation from Japan led by the President of Nippon Keidanden (the Japanese Federation of Industries) in the residence of the President of Iceland, Bessastadir, on 26 June 2006.

Seed Forum is currently planning a first Seed Forum in Tokyo with regards to this initiative in cooperation with Nippon Keidanden and other partners.

UPCOMING SEED FORUMS IN TOKYO
